

Remarks/Arguments :

Because my application came to the USPTO through an international one, it was not in the first instance written to be compliant with USPTO, my application had only the headings of; Abstract, Claims, and, Description.

The disclosure was clearly not appropriate in this format and required the extra headings for "Arrangement of the Specification" as provided in 37CFR 1.77(b).

This amendment document supplies the extra headings and their text and applicant requests that they be placed in the following order in relation to the text already supplied in the application;

- (a) TITLE OF INVENTION (Amended)
- (b) CROSS-REFERENCE TO RELATED APPLICATIONS.
- (c) STATEMENT REGARDING FEDERALLY SPONSORED RESEARCH OR DEVELOPMENT
- (d) THE NAMES OF THE PARTIES OF A JOINT RESEARCH AGREEMENT.
- (e) INCORPORATION-BY-REFERENCE OF MATERIAL SUBMITTED ON A COMPACT DISC.
- (f) BACKGROUND OF THE INVENTION
 - (1) Field of the invention
 - (2) Description of related art including information disclosed under 37 CFR 1.97 and 1.98
- (g) BRIEF SUMMARY OF THE INVENTION
- (h) BRIEF DESCRIPTION OF SEVERAL VIEWS OF THE DRAWINGS
Original Paragraphs [0006] -[0020] and the Drawings . (paragraph [0017] to be amended) as per page 10 of this document
- (i) DETAILED DESCRIPTION OF THE INVENTION.
The new text supplied under this heading in the amendment document as per page 11 followed by **Original Paragraphs [0001] - [0005]**
- (j) CLAIMS (0001)-(0007) have been cancelled and replaced by one single claim (0008).as per page 12 of this document
- (k) ABSTRACT OF DISCLOSURE (Amended) as per page 13 of this document.
- (l) SEQUENCE LISTING

Applicant respectfully requests that a timely Notice of Allowance be issued in this case.

Respectfully submitted,

By Laaong Silaprom
